10/19 This new time was requested by Jae Lee. 12-1 Indy time (11-12 Chicago time)

10/19 New Proposed time per Jae Lee e-mail below:

John,

Talking with our management, they would like to have a call in the week of November 1, 2016.

Tradebe emailed me today that they submitted a CBI information about the mass-balance of Tradebe's desorption units. So we would like to review the information first before we have a discussion with the IDEM. I hope this is ok with you.

The best time of the call would be November 1, 11 am (CDT).

Or on 11/2, after 10am, or 11/3 any time.

Please let me know if this would work for your end.

Jae
